Re: Rules and Regulations Implementing the Telephone Consumer Protection Act of 1991, CG Docket No. 02-278

Dear Ms. Dortch:

Phil Verveer and I met with Michele Walters, Erica McMahon, and Richard Smith of the Consumer and Governmental Affairs Bureau on behalf of a unified communications company and a market research firm. We discussed the Notice of Proposed Rulemaking in the above-captioned docket and sought clarification of the intended scope of the proceeding. We discussed the staff's perception of the degree of interest in defining the class protected from unsolicited facsimile advertising. We also discussed the degree of interest in exploring the use of new technologies in the conduct of market survey research.

Sincerely,

David M. Don
